The above are the staff responsible for child protection/safeguarding issues.

If staff have any concerns about the safety of any students in their classroom they contact the team via internal email. Should parents have any concerns about a child, please email:

office@williamperkin.org.uk

Please give brief details of your concerns or an account of what happened.

One of the Child Protection team will act as soon as possible.

All of our students have been made aware of the identities of the Child Protection team and it is written in their planners.

Child Protection officers will investigate a case and make a decision as to whether to refer to the Child Protection Service in the relevant Borough.

All information will be confidential to the team and the Headteacher, although relevant staff will be notified that there is a Child Protection case in process.
